

**Milestones under Proposed MS4 Permit (continues on page 2 and 3)
Based on February 28, 2006 Board Approval**

Dates →	6/1/06 ¹	begins 6/1/06	6/30/06	begin 7/1/06
Work Item MS4 ²	New Applications/ NOI ³ , SWPPP	MPCA Action	Annual Report for 2005	MPCA Action
1. Non-Selected MS4⁴ Without ORVWs	New Application/ NOI, SWPPP	<u>MPCA Review application, Notice and Extend Coverage Under permit</u>	Annual Report for third year of 2003 permit	<u>MPCA Review annual report and correct noncompliance</u>
2. Non-Selected MS4 <u>With</u> ORVWs	New Application/ NOI, SWPPP Also, List and Map of ORVWs ⁵	<u>MPCA Review application, Notice and Extend Coverage Under permit</u>	Annual Report for third year of 2003 permit, with preliminary ORVWs Assessment ⁶	<u>MPCA Review, and correct noncompliance, comment on ORVWs Assessment</u>
3. Selected MS4⁷ <u>Without</u> ORVWs	New Application/ NOI, SWPPP	<u>MPCA Review application, Notice and Extend Coverage Under permit</u>	Annual Report for third year of 2003 permit	<u>MPCA Review, and approval</u>
4. Selected MS4 <u>With</u> ORVWs	New Application/ NOI, SWPPP - Also, List and Map of ORVWs ⁸	<u>MPCA Review application, Notice and Extend Coverage Under permit</u>	Annual Report for third year of 2003 permit with preliminary ORVWs Assessment	<u>MPCA Review, and correct noncompliance, comment on ORVWs Assessment</u>
5. Designated MS4⁹ Without ORVWs				
6. Designated MS4 <u>With</u> ORVWs				

¹ Effective date of permit, which is 90 days after MPCA Citizens' Board approval and Commissioner's signature

² MS4 – Municipal Separate Storm Sewer System

³ NOI – Notice of Intent (federal language equivalent to the application)

⁴ “Non-Selected MS4” –Regulated MS4s that are not have permit requirements under parts D and E of this permit

⁵ These submittals should be completed by 2004 but the Minn R. ch. 7090 now applies coverage of the permit to the entire municipal or township jurisdiction and may require coverage now

⁶ 2003 permit requirement under which most permittees will be operating prior to extension of coverage

⁷ “Selected MS4” – one of 30 MS4's that are required under Appendix D&E to conduct work to address nondegradation requirements.

⁸ ORVWs -are Prohibited and Restricted waters as defined in Minn. R. 7050.0180.

⁹ Designated MS4s- 43 additional small MS4s were designated for permit coverage in August 2005 under the stormwater rules (Minn. R. ch. 7090). These new MS4s have 18 months from the effective date of the rule to submit their SWPPP (by February 15, 2007). None of these new MS4s is a “selected MS4”.
