

Subsurface Sewage Treatment System Designated Mentor List

SSTS Certification and Licensing Program

The following Certified Individuals have been authorized by the Minnesota Pollution Control Agency (MPCA) to provide mentorship to an apprentice so that the apprentice may gain experience toward Subsurface Sewage Treatment System (SSTS) certification under Minn. R. 7083.1050, subp.2.(a-b).

All experience completed by an apprentice after December 31, 2010, must be done under the direct and personal supervision of a Designated Mentor.

If you would like to complete your SSTS experience under a mentor not listed here, submit an Individual Certification Application. The application can be downloaded from the MPCA website: <http://www.pca.state.mn.us/publications/wq-wwists3-11.pdf>.

The SSTS Designated Mentor List is updated monthly.
