

Minnesota Pollution Control Agency Land Application of Industrial By-Product MPCA Contacts by Type of Material

Type of Industrial By-Product	MPCA Contact Person
Non-hazardous industrial wastewater treatment solids: <ul style="list-style-type: none"> • Mechanical waste water treatment plant solids • Waste water treatment pond solids • Pretreatment or holding tank wastes 	Byron Adams 651-297-8373 Steve Stark 218-828-6070 Julianne Rantala 651-297-8332
Food & Beverage Processing Wastes: <ul style="list-style-type: none"> • Wastewater • Silage / Silage juice • Antibiotic milk • Whey 	Byron Adams 651-297-8373 Steve Stark 218-828-6070 Julianne Rantala 651-297-8332
Animal wastes: <ul style="list-style-type: none"> • Manure • Paunch manure • Animal bedding 	Dave Wall 651-296-8440 Mark Steuart 218-846-7388 Brad Sielaff 651-296-7337
Biosolids from Municipal and Private Waste Water Treatment Plants	Jorja Dufresne 651-296-9292
Non-hazardous incinerator residues of all types: <ul style="list-style-type: none"> • Ashes • Miscellaneous residuals 	Geoff Strack 651-296-7716
Sugar manufacturing plant solids generated, including wastewater treatment solids	Neal Wilson 651-296-8595
Waste products and waste raw materials: <ul style="list-style-type: none"> • Contaminated food products (Examples: meat scraps, spoiled food products) • Waste vegetables (Examples: Potatoes, sugar beets, vegetable screenings) • Blood which cannot be rendered • Bone/feathers/hair from rendering plants • Egg shells 	Geoff Strack 651-296-7716 Byron Adams 651-297-8373 Steve Stark 218-828-6070
Compost	Roberta Wirth 651-296-7384
Lime from treatment of drinking water	Jeff Smith 651-296-7367 Geoff Strack 651-296-7716
Grit and screenings from the head of any manufacturing or waste water process: <ul style="list-style-type: none"> • Mud from cleaning root crops (sugar beets, potatoes, etc.) • Grit & screenings from vegetable processing plants • Grit & screenings from pretreatment processes and wastewater treatment 	Neal Wilson 651-296-8595
Wood wastes and wood related industry wastes of all types (except for pulp and paper mill solids)	Geoff Strack 651-296-7716
Urban storm water pond cleanouts	Lou Flynn 651-296-6575
Street sweepings	Neal Wilson 651-296-8595 Geoff Strack 651-296-7716
Sand trap and flammable waste trap wastes from vehicle maintenance and washing facilities	Joe Henderson 651-297-8496 Julianne Rantala 651-297-8332
Petroleum contaminated soil	Nancy Hennen Blomme 507-537-6375
