

# Environmental Review Streamlining Report: Streamlining Suggestion Form

Suggestions must be received by **October 14, 2009**

## How to submit a streamlining suggestion

Please take this opportunity to provide suggestions/ideas for streamlining the environmental review process, while also maintaining or improving environmental quality. As a guideline, it would be most helpful if your suggestion was accompanied by pros and cons and what process it might take to implement the suggestion (statute change, rule change, form or process change, etc.). All written suggestions will be included in the Environmental Review Streamlining Report. If you would like, you may submit your completed streamlining suggestion form to any MPCA staff at the end of this public information meeting. Or, suggestions may be mailed to: Susan Heffron, MPCA, 520 Lafayette Road N., St. Paul, MN 55155-4194. Suggestions can also be submitted to Susan by fax at (651) 297-2343 or via e-mail to [susan.heffron@state.mn.us](mailto:susan.heffron@state.mn.us).

**Written suggestions for streamlining the environmental review process must be received by 4:30 p.m. on October 14, 2009.**
