

Revised SCORE Report Update and Opportunity to Provide Input

CISRR Meeting October 23, 2009

CHAPTER 37--H.F.No. 2123

- Sec. 62. **SCORE REPORTING.**

Subdivision 1. 2010 requirement. The requirements for the report specified in Minnesota Statutes, section 115A.557, subdivision 3, paragraph (b), clause (2), that is due April 1, 2010, shall be abbreviated in scope. The information collected shall be sufficient for the commissioner of the Pollution Control Agency to determine that counties have complied with the requirements of this subdivision.

CHAPTER 37--H.F.No. 2123 Cont.

- Subd. 2. **Recommendations; report.** The commissioner of the Pollution Control Agency, in consultation with the Association of Minnesota Counties, the Solid Waste Administrators Association, the Solid Waste Management Coordinating Board, and other interested parties shall make recommendations to amend the reporting requirements under Minnesota Statutes, section 115A.557, subdivision 3, in ways that reduce the resources counties employ to collect the data reported, while ensuring that estimation methods used to report data are consistent across counties and that the data reported are accurate and useful as a guide to solid waste management policy makers. The commissioner shall also make recommendations regarding the feasibility and desirability of multicounty reporting of the data. The commissioner's recommendations must be presented in a report submitted to the chairs and ranking minority members of the senate and house of representatives committees and divisions with primary jurisdiction over solid waste policy and finance no later than January 15, 2010.
