REVISED 03/30/2010 Agenda and Minutes

Community Air Improvement Project (CAIP)
Franklin Library Community Room
1314 E. Franklin Ave., Minneapolis MN 55404

Agenda:

Why we are meeting today:

- *Discuss outcome of MPCA's assessment of CAIP*

1. Introduction (10 minutes)

2. Discuss the outcome of MPCA's assessment of CAIP and future meetings (60 minutes)

3. Sharing of any follow-up on the following activities by partners: (10 minutes)

Priority	Activity
1	**Green neighborhood recognition program:** Recommendation: Implement as funding becomes available.
2	**Comfort heating-energy efficiency – commercial, industrial and residential:** Recommendation: Implement when resources become available.

4. Other (10 minutes)

Attendees:

Jeremy Harrington – Mille Lacs Band
Yolanda Letnes – Minnesota Pollution Control Agency (MPCA)
Mike Mondloch – MPCA
Cindy McComas– Minnesota Technical Assistance Program (MnTAP)
Shirley Heyer – Midtown Phillips Neighborhood Association

Meeting Summary:

Mike Mondloch shared information regarding an upcoming grant opportunity through the HUD/DOT/EPA Sustainable Communities Partnership. At this stage the grant opportunity has not been opened up for proposals. It is estimated that a total of $100 million dollars will be available for grants. The following information was not presented at the meeting, but is included in the minutes for those interested in following up on it.
