RE: CAP Grant/Loan Termination of Obligations Report

Dear Committee Chairs:

This letter serves as the report required by Minn. Stat. §115A.54, subd. 4. In accordance with the legislation, the Minnesota Pollution Control Agency (MPCA) is required to report on the previous year's defaults and terminations of awards made under the bond-funded Solid Waste Processing Facilities Capital Assistance Program (CAP).

No CAP grant recipients have defaulted, nor has the Commissioner acted to terminate the obligations of a grant recipient during CY 2009 and in CY 2010 through October 31, 2010.

If you have any questions regarding this report, please contact me at (651) 757-2241 or Rick Patraw at (651) 757-2640.

Sincerely,

A handwritten signature in black ink, appearing to read "Jodi Boyne".
