RE: CORRECTION - Clean Water Council - Expenses

Dear Senator Ingebrigtsen;

On January 19, 2011, the Minnesota Pollution Control Agency (MPCA) sent you information regarding the Clean Water Council Expenses. Unfortunately, the information in that memorandum was not accurate. The information contained in this memorandum is accurate and reflects the direct expenses related to the Clean Water Council.

Pursuant to [Minnesota Statutes 2007, 114.D](#) (Clean Water Legacy Act), the MPCA provides administrative support to the Clean Water Council. In fiscal years 2007-2009, expenses incurred by the Clean Water Council were satisfied by MPCA's one-time General Fund appropriations regarding work related to the Clean Water Legacy. In fiscal years 2010-11, expenses are accommodated within the MPCA's appropriation from the Clean Water Fund.

The table below summarizes the Clean Water Council's actual expenses in FY2010 and expenses to date in FY2011:

Fiscal Year	Food & beverages	Parking	Per diem & mileage	TOTALS
2010	4,738.68	1,190.00	9,666.88	\$ 15,595.56
2011 (as of 12/31/2010)	3,542.51	550.00	9,047.93	\$ 13,140.44
TOTAL	\$ 8,281.19	\$ 1,740.00	\$ 18,714.81	\$ 28,736.00

We apologize for any inconvenience that our error caused you. Please contact me if you have any additional questions.

Sincerely,

Myrna M. Halbach, P.E.
Chief Financial Officer
