2010 Building Materials Reuse/Recycling Directory Survey

Solid Waste Program

Doc Type: Questionnaire

Instructions:

This form is designed to collect information on the reuse and recycling services that you provide in the management of construction and demolition waste in Minnesota. The data collected will assist the Minnesota Pollution Control Agency (MPCA) in developing a directory for residential and commercial use in selecting those services that best meet their needs in reducing, recycling, or the recovery of construction and demolition waste while also assisting the state in meeting its green house gas reduction goals.

To submit the form:

The preferred method would be to submit your form via e-mail by clicking on the submit button at the upper right hand corner. *(The form will remain open after clicking the submit button; you should close the form after submitting.)* You may send it by fax to 218-723-4727 or by mail to Hank Fisher, MPCA, 525 Lake Avenue South, Suite 400, Duluth, MN 55802. If you have any questions, please call 218-302-6630 or e-mail henry.fisher@state.mn.us.

Thank you for your time.
