

## Accepting Submissions from Wastewater or Stormwater Projects for the Clean Water Revolving Fund (CWRF) 2014 Project Priority List

Proposals are being accepted to place wastewater or stormwater collection and treatment system projects on the CWRF Project Priority List (PPL). **Projects must be on the PPL to be eligible to apply for below market rate CWRF loans and other Clean Water Legacy grants and loans from the Minnesota Public Facilities Authority (PFA).** PFA financing is for investments in municipal infrastructure which result in improvements in water quality. Funding is not available for privately owned infrastructure.

Please Note: Projects on the 2013 PPL will automatically be listed on the 2014 PPL unless the project has received funding, requested removal or shown no progress in the past 5 years. If necessary, please submit updated project costs, construction schedule and PPL scoring parameters. It is to your advantage to keep all scoring information as current as possible.

**Green Project Reserve (GPR):** For the past several funding cycles, federal law has required that a portion of CWRF financing be reserved for green infrastructure, water or energy efficiency improvements, or other environmentally innovative activities. If federal funds are again appropriated for GPR, principal forgiveness (grants) may be available for eligible projects. Projects believed to meet the GPR eligibility requirements as described in the PPL application forms should indicate their potential GPR eligibility in the PPL application and Intended Use Plan (IUP) request for placement.

Municipalities planning to start construction and receive CWRF financing before June 30, 2014, must also submit a request to the PFA to place the project on the 2014 IUP (See the enclosed PFA notice.)

### **IMPORTANT DEADLINES:**

Wastewater Facilities Plans or Stormwater Project Plans  
are due to the MPCA (to ensure priority review) .....March 1, 2013 or before

Request for Placement on PPL due to the MPCA .....March 1, 2013 or before

Request for Placement on the 2014 IUP due to the PFA .....June 7, 2013

Wastewater Facilities Plans or Stormwater Project Plans  
preliminary approval by MPCA for 2014 IUP projects .....July 1, 2013

To obtain necessary PPL instructions, application forms and general program information go to:
