

The Minnesota Pollution Control Agency (MPCA) is providing this list solely as a service; no endorsement is intended or implied.

As of June 2009, this is a list of Environmental Management System (EMS) consulting and/or auditing service providers based in Minnesota. NOTE: EMS auditors certified by RABQSA International may also provide EMS consulting. However, if they have provided EMS consulting to a company, they may not, for a subsequent two years, provide ISO 14001 audits to the same company. Search for the latest RABQSA-certified EMS auditors at <http://www.rabqsa.com/>.

To request or update a listing, please contact the MPCA at 651-296-6300 or 800-657-3864 and ask for Environmental Management Systems staff.
