ACKNOWLEDGEMENTS

Produced by the Minnesota Pollution Control Agency (MPCA).

Thanks to the following organizations and individuals for their contributions to the MPCA's salvage yard effort and this manual:

The Legislative Commission on Waste Management
The Automotive Recyclers of Minnesota
The NW Chapter of the Institute of Scrap Recycling Industries, Inc.
The Minnesota Technical Assistance Program
Minnesota Department of Transportation
Viking Auto Salvage
North Star Steel Company
AAA Auto Salvage
John's Auto Parts
Mississippi Street Metals
Albert Lea Auto Salvage
Twin City Auto & Military Parts
Action Auto Parts of Minnesota
North Branch Salvage
Barnum Automotive
Hugo Auto & Truck Parts
Katherine Logan - Polk County Solid Waste Officer

Thanks to the Motor Vehicle Salvage Facility Task Force:

Task Force members included MPCA staff, salvage yard owners, county solid waste officers and representatives from related industries and organizations. Their purpose was to explore existing and potential environmental problems at salvage yards and assist the MPCA in developing an outreach and training program for the salvage yard industry.

Buford Faust - Viking Auto Salvage
Doug Duren - North Star Steel
Ivan Jacobs - Mississippi Street Metals
Shirley Basta - Pine County Solid Waste Officer
Dave Lucas - Sherburne County Solid Waste Officer
Gary Erickson - Minnesota Department of Transportation
