**TO: Permit Applicants**  
**FROM: MPCA Water Quality Permit Staff**

The Minnesota Pollution Control Agency (MPCA) has revised the National Pollutant Discharge Elimination System (NPDES) State Disposal System (NPDES/SDS) permit application forms. The revised version consists of a standard transmittal form with attachments. We believe the redesigned application forms will help us to process water quality permit applications in a manner that is more efficient, consistent, and responsive to all.

When you have completed the application and transmittal form, please take a minute to answer the following questions to help us improve the forms:
