Laboratory Establishment Form

EQuIS Database

Metadata Forms

Doc Type: EQuIS Laboratory Establishment

Bold = required entry

Monitoring year: _____

Today's date: _____
(mm/dd/yyyy)

Project name: _____

Project ID: PRJ0 _____
Example: PRJ01234

Laboratory Information

Laboratory ID (assigned by MPCA EQuIS staff) _____

Laboratory name _____ Web address _____

Address _____

City _____ State _____ Zip _____

Contact name _____ E-mail _____

Analyses and Methods (Note: Table below reflects methods, limits, and certifications of lab for the year(s) in which the data were collected. Please include analyte information applicable to the monitoring year indicated in the first column.)

Monitoring year(s)	Analyte name	Sample fraction	Reporting units	Comparable standard method	Field preservation method	Detection limit	Reporting limit	Lab certified
	Phosphorus							
	Phosphorus, orthophosphate as P							
	Chlorophyll a, corrected for pheophytin							
	Nitrogen, ammonia as N							
	Nitrogen, Kjeldahl							
	Nitrogen, Nitrite (NO ₂) + Nitrate (NO ₃) as N							
	Nitrogen, Nitrate (NO ₃) as N							
	Nitrogen, Nitrite (NO ₂) as N							
	Escherichia coli							
	Fecal Coliform							
	Solids, Total Suspended (TSS)							
	Solids, Volatile							
	Sulfur, sulfate (SO ₄) as SO ₄							
	Chloride							
	Turbidity
