WEB NOTICE ON DRAFT/PROPOSED  
AIR EMISSION FACILITY PERMIT**

**NOTICE IS HEREBY GIVEN**, that the Commissioner of the Minnesota Pollution Control Agency (MPCA) proposes to issue Air Emission Permit No. 16300087-006, to LSP Cottage Grove, L.P., for the LSP Cottage Grove Cogeneration Facility located at 9525 105th Street Court South, Cottage Grove, Washington County, Minnesota.

The permit action is for operation of the facility. The permit action is the reissuance of the Part 70 Operating Permit; therefore, the draft/proposed permit has been placed on public notice. The MPCA is seeking the U.S. Environmental Protection Agency's (EPA) concurrent review of this draft/proposed permit and the EPA 45-day review period will begin with the 30-day public review period.

The LSP Cottage Grove Cogeneration Facility (facility) is an existing combined cycle steam-electric cogeneration facility. The facility consists of a 245 megawatt Westinghouse 501F combined cycle Combustion Turbine Generator (CTG) designed to provide electrical energy and to supply thermal energy as steam to an off-site customer.

A summary of the Potential to Emit (PTE) in tons per year is as follows:

Pollutant	PM	PM <sub>10</sub>	PM <sub>2.5</sub>	SO <sub>2</sub>	NO <sub>x</sub>	VOCs	CO	CO <sub>2</sub> e	HAP
Total Facility PTE	175	149	149	66	349	48	99	392000	13.4

PM = Particulate Matter

PM<sub>10</sub> = PM smaller than 10 microns

SO<sub>2</sub> = Sulfur Dioxide

PM<sub>2.5</sub> = PM smaller than 2.5 microns

NO<sub>x</sub> = Nitrogen Oxides

VOCs = Volatile Organic Compounds

CO = Carbon Monoxide

CO<sub>2</sub>e = Carbon Dioxide Equivalents as defined in Minn. R. 7007.0100

HAP = Hazardous Air Pollutant

The Permittee has submitted a pollution prevention progress report pursuant to Minn. Stat. § 115D.08.

The preliminary determination to issue the air emission permit is tentative. There are four formal procedures for public participation in the MPCA's consideration of the permit application. Interested persons may (1) submit written comments on the draft/proposed permit; (2) request that the MPCA hold a public information meeting; (3) request the MPCA hold a contested case hearing; and/or (4) submit a petition to the Commissioner requesting that the MPCA Citizens' Board (Board) consider the permit matter.

The decision whether to issue the permit and, if so, under what terms, will be presented to the Board for decision if: (1) the Commissioner grants the petition requesting the matter be presented to the Board; (2) an Board member requests to hear the matter prior to the time the Commissioner makes a final decision on the permit; or (3) a request for a contested case hearing is pending. Otherwise, the Commissioner will make the decision.

Persons who submit comments or petitions to the MPCA must state (1) their interest in the permit application or the draft permit; (2) the action they wish the MPCA to take, including specific references to the section of the draft permit they believe should be changed; and (3) the reasons supporting their position, stated with sufficient specificity as to allow the MPCA to investigate the merits of the position.

As described in Minn. R. 7000.1800, persons who submit requests for a contested case hearing must also state the issues they propose to address in a contested case hearing, the specific relief requested or resolution of the matter, and the reasons (which may be in the form of proposed findings) supporting an MPCA decision to hold a contested case hearing. Failure to comply with these rules exactly may result in a denial of the request. The decision whether to hold a contested case hearing will be made under Minn. R. 7000.1900. Most public libraries throughout the state have copies of the current Minnesota Rules. They are also available on the Internet at [www.revisor.leg.state.mn.us](http://www.revisor.leg.state.mn.us).

The public comment period commences April 11, 2013, and terminates May 10, 2013. Comments must be received in writing at the MPCA by 4:30 p.m. on May 10, 2013. Evidence of timely receipt includes a date/time stamp imprinted on the first page of the written comments by the first floor information and reception area of the MPCA or by the Industrial Division support staff, or receipt by fax or email. Comments, requests, and petitions should be sent to:
