## **MPCA Section 106 Review City of Afton Infrastructure Improvements Project**

The Minnesota Pollution Control Agency (MPCA) conducted a Section 106 review for the proposed City of Afton infrastructure improvements project and has made a final determination that the project will result in no adverse effects to historic properties.

Detailed information regarding the Section 106 review can be found on the MPCA website at <https://www.pca.state.mn.us/public-notices>.

This information is NOT open for public comment at this time. The information is being provided in accordance with 36 CFR 800.5(c). Consulting party comments must be received by the MPCA by September 1, 2016. Comments should be submitted in writing to Corey Mathisen at [Corey.Mathisen@state.mn.us](mailto:Corey.Mathisen@state.mn.us) or to:
