

Quick guide – Nonmetallic mineral processing air emission inventory report

General permittees cover letter

As the owner or operator of a permitted air quality facility, you are required to submit an emission inventory report by **April 1, 2021**. If your facility does not submit an air emission inventory report on time, enforcement action may be taken, and your next annual air fee will include an additional fee.

What do I need to do?

1. Complete the enclosed air emission inventory report for your nonmetallic mineral processing permitted facility.
2. Sign and date the report.
3. Make a copy for your records.
4. Return the original report, postmarked no later than **April 1, 2021**, to:

What if there have been changes at my facility?

- You must submit a form to the Minnesota Pollution Control Agency (MPCA) if any of the following permit changes have been made:
 - Facility name.
 - Ownership or control of the facility.
 - Any other facility contact information listed in the permit (e.g., mailing address).
- Contact the Small Business Environmental Assistance Program at 651-282-6143, 800-657-3938, or smallbizhelp.pca@state.mn.us for the appropriate forms.
