

Instructions

This certification is required if you repair or service motor vehicle air conditioners for consideration.

- 1. Please provide the name, address, and telephone number of the establishment where the recovery/recycle or recovery equipment is located.
2. Please provide the manufacture name, model number, date of manufacture, and serial number of the recovery/recycle or recovery equipment acquired for use at the establishment.
3. The certification statement must be signed by the person who has acquired the recovery/recycle or recovery equipment (the owner of the establishment or another responsible person).
4. Send this form to: MVACs Recycling Program Manager, Stratospheric Ozone Protection Branch (6205J), U.S. Environmental Protection Agency, 401 M Street SW, Washington, DC 20460

The Minnesota Pollution Control Agency recommends that you send this form to the U.S. Environmental Protection Agency by certified mail and retain the return receipt for your records.

NOTE: Certification is not transferable. Change in ownership requires submittal of new information within 30 days.

Purchase Information

1. Name of purchaser
Street address where refrigerant recover or recycling equipment is located
City, state, and zip code (Area code) Telephone number

2. Name of equipment manufacturer Model number Serial number Date of manufacture

3. I certify that I have acquired approved recovery/recycle or recovery equipment under Section 609 of the Clean Air Act.
