Chapter 7023

**ORDER EXTENDING DEADLINE
FOR RULE REPORT**

This matter came before the Chief Administrative Law Judge upon the request of the Administrative Law Judge to extend the deadline for completing the rule report pursuant to Minn. Stat. § 14.15, subd. 2 (2020).

The rules concern the Minnesota Pollution Control Agency's proposal to adopt vehicle greenhouse gas emissions standards. The proposed rules came on for public hearings on February 22-23, 2021. The rulemaking record closed on March 22, 2021, following the post-hearing comment and rebuttal period. The deadline for completion of the Administrative Law Judge's report is April 21, 2021. The rules have generated thousands of public comments and filings, many of which attached extensive documentation.

Therefore, based upon the Administrative Law Judge's request and the scope of the rulemaking record,

IT IS HEREBY ORDERED THAT:

The deadline for completion of the report in this matter is extended to **Friday, May 7, 2021.**
