**Used household goods, clothes and toys can be reused and recycled. Household goods are furniture, dishes, silverware, glassware, linens and mattresses.**

Clean, usable household goods, clothes and toys can be donated to many organizations. Find out if your county has a Community Action Program that takes donations. Churches often take donations. Depending upon where you live, some organizations, like the Disabled Veterans and the Salvation Army, will come to your home to pick up donations.

Look in the Yellow Pages telephone book under “thrift shops” or “furniture used,” to find a place that takes donations. Some places only take furniture, others only clothes, or toys. Call ahead to find out if they will take your items.

You can sell your clothes, and sometimes toys, on consignment. To sell on consignment, you take the things you want to sell to a consignment store. The store does not pay you until after it sells your things. They will keep 20% to 60% of the sale price. To find a store that will sell your things, look in the Yellow Pages telephone book under “clothing consignment for resale.” Call them first, to find out if they are able to take your things, before bringing your items in.

You can sell things yourself at a garage sale. It is a good idea to go to a few garage sales first to see how they are handled. A few days before the garage sale, take all of the items you no longer need, and set them up neatly in the garage. Be sure to mark the sale price that you want for each item. It is a good idea to put an ad in the paper that will tell other people the day, date, and time of your sale. You will have to pay for the ad. Put some signs on the streets near your home, so the people who are driving by will know about your sale.

You can also sell used items through the want ads in your local newspaper. You will have to pay for the ad. Call your newspaper, tell them you want to place a classified ad, and what you want the ad to say. Include your phone number.

## Exercise 1
