II. Term of agreement

Expiration date: August 17, 2021, or until all obligations have been satisfactorily fulfilled, whichever occurs first.

III. Authorized representatives

The MPCA’s Authorized Representative is Cristina Villella, Minnesota GreenCorps Program Coordinator, 520 Lafayette Road North, St Paul, MN 55155, 651-757-2580, cristina.villella@state.mn.us or her successor.

Host sites will often need to invest time in on-the-job training for the Members.

V. Responsibilities of the MPCA
The MPCA, acting through the Minnesota GreenCorps Program Coordinator, supporting staff, and management, is responsible for providing oversight to the Minnesota GreenCorps Program on a statewide level, including Member management, site management, and compliance with all AmeriCorps regulations. The Minnesota GreenCorps Program Coordinator is an employee of the MPCA.

A. Member selection process
1. Interviewing: The MPCA will accept and screen all applications for Member positions. The MPCA will sort and review applications, and select candidates for interviews.
2. Selecting: The MPCA will make selection decisions. The MPCA has the responsibility and authority to extend an offer for a position to an applicant, and will make the final selection decisions.

2. Oversight: While the Host Site will provide day-to-day supervision, the MPCA will communicate regularly with the Host Site and site supervisor to ensure that the tasks and activities of the Member project align with the position description and goals of the Minnesota GreenCorps Program and the MPCA. The MPCA will work with the Member and host site to refine project measures throughout the term of service. The MPCA is also responsible for data compilation and reporting to interested parties including ServeMinnesota, the Corporation for National and Community Service (CNCS), MPCA management, and other interested parties.

3. Mentors: The MPCA will provide each Minnesota GreenCorps Member with a mentor that will provide technical assistance and support throughout the program year.

The MPCA will provide assistance to qualifying Members in receiving federal student loan forbearance, child care reimbursement, and education awards from the corresponding government entities that provide such benefits. The MPCA will also provide travel reimbursement for approved expenses.

8. Reasonable accommodation: A reasonable accommodation is any modification or adjustment to a job, practice, or work environment that makes it possible for an individual with a physical or mental disability to perform the essential functions of a job. The MPCA must provide such accommodations, upon request by Members with disabilities, unless doing so imposes undue financial or administrative burden to the program.

9. Member discipline: The MPCA will work closely with the Host Site supervisor regarding setting expectations and, if necessary, administering discipline for performance-related issues, including but not limited to: tardiness, failure to meet deadlines, failure to complete service position duties, etc.

10. Grievance procedures: The MPCA will ensure that Member work problems are appropriately resolved; when necessary, the MPCA will ensure that Grievance Procedures are administered as prescribed in the Member Service Agreement.

11. Site re-assignment: In the event that a Host Site environment becomes unsuitable for a Member to continue their service work, the MPCA reserves the right to terminate the site partnership and move the Member to another site, should an opportunity exist.

C. Member suspension, release from service, and termination
1. Only the MPCA’s designated staff has the authority to suspend or release a Member either for cause or for compelling personal circumstances. Host Site supervisors must actively work with the MPCA to address performance issues before suspension or release from service is considered.

E. Insurance
1. The Members will be covered under the MPCA Commercial General Liability and Commercial Automobile Liability insurance policies as volunteers. If the Members are using vehicles belonging to the Host Site organization to conduct business on behalf of the Minnesota GreenCorps Program, the Host Site’s insurance is primary. Any other insurance that may be available would only respond after the organization’s insurance is exhausted.
VI. Host Site responsibilities

The Host Site, acting primarily through the Host Site supervisor, is responsible for the following:

A. Member support and management

1. Member recognition: Minnesota GreenCorps members are not “employees” or “volunteers” of the host site.
2. Supervision: Provide day-to-day professional supervision of the Minnesota GreenCorps member(s), equating to at least 3.2 hours per week (0.08 full time employee [FTE]), per member. Set a daily schedule with the Minnesota GreenCorps member to ensure a full-time member is serving approximately 40 hours/week, and then hold the member accountable to this set schedule.
3. Provide appropriate safety training, including right-to-know and emergency procedures.
4. Workspace, computer access, supplies, materials. Provide reasonable workspace for Members to complete the tasks of their project. This includes a desk, phone, computer, access to office supplies, access to a printer, copy machine, materials needed for Minnesota GreenCorps member projects (displays, fact sheets, manuals, etc.). Members must have regular access to the internet for Minnesota GreenCorps-related purposes (i.e., completing timesheets, using the Minnesota GreenCorps website, checking email) as well as to complete the tasks of their project. It is recommended the host site provide a host site email address to the Minnesota GreenCorps member if possible.
5. On-site training: Invite the Minnesota GreenCorps member to participate in relevant on-site training and/or staff meetings. Minnesota GreenCorps members may record this time toward their service hours.
6. Member professional development: Host sites are encouraged to provide at least $150 towards Member professional development, such as attending conferences, seminars, workshops, trainings, etc.
7. Work environment: Maintain a work environment that is welcoming, respectful, free of harassment and discrimination, and safe. Name badge: Provide the Member with a name badge, if required, according to the personnel policies of the host site.
8. Reasonable accommodation: Members with mental or physical disabilities have the right to request reasonable accommodations through their host site. The host site should work closely with the Minnesota GreenCorps Program Coordinator and the MPCA’s Human Resource Office to support and respond to such requests.
9. Grievance procedures: Discuss work problems with Members, engage in informal problem solving, and (if required) support the Grievance Procedures included in the Member Service Agreement.

B. Supervisor responsibilities

1. Attend supervisor training: Supervisors are required to participate in a one-day Site Supervisor Orientation at the start of the program year to learn roles and responsibilities. If a host site supervisor is unable to attend the supervisor training, they must send another representative from the host site to receive proper training.
2. Approve timesheets: Verify the Member’s service hours by approving his or her timesheet online once every two weeks through the OnCorps Reports online system. Member timesheets must be approved by supervisors on time for the Member to receive his or her living allowance.
3. Participate in site visits: Participate in a bi-annual site visit facilitated by the Minnesota GreenCorps Program Coordinator. The purpose of the visit will be to review progress in relation to the expectations laid out in the Site Agreement, celebrate success, and provide assistance in problem solving.
4. Maintain open lines of communication: Maintain open lines of communication with the Minnesota GreenCorps member, Minnesota GreenCorps Program Coordinator, and MPCA professional staff in relation to the Member’s role and performance.
5. Discipline/termination (if necessary): Ensure that Members comply with the terms of the Member Service Agreement. Host sites must be involved with resolving work problems of Members and may be involved in the Grievance Procedures. The Host Site Supervisor must notify and work closely with the MPCA Human Resources staff on disciplinary action. A site may not decide to terminate a Member. Only designated MPCA staff has the authority to suspend or release a Minnesota GreenCorps member from service for disciplinary reasons.
6. Complete performance evaluations: Complete a mid-year and end-of-year Member performance evaluation.
7. Submit in-kind documentation: Submit in-kind reports through the OnCorps Reports online system, and provide hard copy documentation.
8. Reportable and measurable outcomes: Oversee and approve the Member’s submission of quarterly updates to the MPCA on project progress on forms and a timeline determined by the MPCA, and a final report that includes lessons learned and project measures for success.

A Minnesota GreenCorps member may not perform services or duties that have been performed by or were assigned to any:

IX. Harassment and non-discrimination policy

The Minnesota GreenCorps Program prohibits discrimination based on race, color, creed, religion, national origin, sex, marital status, status with regard to public assistance, membership, or activity in a local human rights commission, disability, sexual orientation, age, political affiliation, and, in most cases, religion.

Harassment based on the protected class status listed in the paragraph above is also prohibited, including both overt acts of harassment and those acts that create a negative work environment.

Discriminatory harassment is any behavior based on protected class status that is unwelcome and personally offensive and, thereby, may affect morale and interfere with the Member’s ability to perform. For example, harassment based on national origin has been defined by the U.S. Equal Employment Opportunity Commission as “Ethnic slurs and other verbal or physical conduct relating to an individual’s national origin.”

Sexual harassment has also been specifically defined by the Minnesota Human Rights Act, which states in regard to employment, that:

“Sexual harassment” includes unwelcome sexual advances, requests for sexual favors, sexually motivated physical contact or other verbal or physical conduct or communication of a sexual nature when: (1) submission to that conduct or communication is made a term or condition, either explicitly or implicitly, of obtaining employment; (2) submission to or rejection of that conduct or communication by an individual is used as a factor in decision affecting that individual’s employment; or (3) that conduct or communication has the purpose or effect of substantially interfering with an individual’s employment, and in the case of employment, the employer knows or should know of the existence of the harassment and fails to take timely and appropriate action.

Discriminatory harassment may occur: 1) among peers or coworkers, 2) between managers and subordinates, or 3) between Members and the public.

A. AmeriCorps program civil rights policy

The Corporation for National and Community Service (CNCS) has zero tolerance for the harassment of any individual or group of individuals for any reason. CNCS is committed to treating all persons with dignity and respect. CNCS prohibits all forms of discrimination based upon race, color, national origin, gender, age, religion, sexual orientation, disability, gender identity or expression, political affiliation, marital or parental status, or military service. All programs administered by, or receiving Federal financial assistance from CNCS, must be free from all forms of harassment. Whether in CNCS offices or campuses, in other service-related settings such as training sessions or service sites, or at service-related social events, such harassment is unacceptable. Any such harassment, if found, will result in immediate corrective action, up to and including removal or termination of any CNCS employee or volunteer. Recipients of Federal financial assistance, be they individuals, organizations, programs and/or projects are also subject to this zero tolerance policy. Where a violation is found,
and subject to regulatory procedures, appropriate corrective action will be taken, up to and including termination of Federal financial assistance from all Federal sources.

Slurs and other verbal or physical conduct relating to an individual’s gender, race, ethnicity, religion, sexual orientation or any other basis constitute harassment when it has the purpose or effect of interfering with service performance or creating an intimidating, hostile, or offensive service environment. Harassment includes, but is not limited to: explicit or implicit demands for sexual favors; pressure for dates; deliberate touching, leaning over, or cornering; offensive teasing, jokes, remarks, or questions; letters, phone calls, or distribution or display of offensive materials; offensive looks or gestures; gender, racial, ethnic, or religious baiting; physical assaults or other threatening behavior; or demeaning, debasing or abusive comments or actions that intimidate.

CNCS does not tolerate harassment by anyone including persons of the same or different races, sexes, religions, or ethnic origins; or from a CNCS employee or supervisor; a project, or site employee or supervisor; a non-employee (e.g., client); a co-worker or service member.

I expect supervisors and managers of CNCS programs and projects, when made aware of alleged harassment by employees, service participants, or other individuals, to immediately take swift and appropriate action. CNCS will not tolerate retaliation against a person who raises harassment concerns in good faith. Any CNCS 7 employee who violates this policy will be subject to discipline, up to and including termination, and any grantee that permits harassment in violation of this policy will be subject to a finding of non-compliance and administrative procedures that may result in termination of Federal financial assistance from CNCS and all other Federal agencies.

Any person who believes that he or she has been discriminated against in violation of civil rights laws, regulations, or this policy, or in retaliation for opposition to discrimination or participation in discrimination complaint proceedings (e.g., as a complainant or witness) in any CNCS program or project, may raise his or her concerns with our Office of Civil Rights and Inclusiveness (OCRI). Discrimination claims not brought to the attention of OCRI within 45 days of their occurrence may not be accepted in a formal complaint of discrimination. No one can be required to use a program, project or sponsor dispute resolution procedure before contacting OCRI. If another procedure is used, it does not affect the 45-day time limit. OCRI may be reached at 202-606-7503 (voice), 202-606-3472 (TTY), eo@cns.gov, or through http://www.nationalservice.gov/.

B. Complaint procedures

Members have the right to report a concern or complaint about discrimination or discriminatory harassment to their Host Site supervisor, the MPCA’s Minnesota GreenCorps Program Coordinator, the MPCA Community and Business Assistance Development Manager, or to the MPCA Human Resources Department. In fulfilling the obligation to maintain a positive and productive work environment, Host Site supervisors, the MPCA’s Minnesota GreenCorps staff, and the MPCA Human Resources Department are expected to address or report any suspected discrimination or discriminatory harassment.

C. Retaliation

It is unlawful to retaliate against any person who, or organization that, files a complaint about such discrimination. In addition to filing a complaint with local and state agencies that are responsible for resolving discrimination complaints, Members may bring a complaint to the attention of CNCS.

X. In-kind contributions

The MPCA does not charge a fee for participation in the Minnesota GreenCorps Program. However, host sites are expected to provide in-kind contributions in the form of supervision, operating costs (office space, internet, telephone), and equipment costs associated with hosting a Member. In-kind contributions cannot be provided from a federal source of funds, unless permission has been provided from the granting federal agency. Host sites are expected to maintain any source documentation for seven years.

XII. Survival of terms
The following clauses survive the expiration or cancellation of this Contract: Indemnification; State audits; Government data practices; Governing law, jurisdiction, and venue; and Data disclosure.

A. Indemnification
In the performance of this Contract by Host Site, or Host Site’s agents or employees, the Host Site must indemnify, save, and hold harmless the State, its agents, and employees, from any claims or causes of action, including attorney’s fees incurred by the State, to the extent caused by Host Site’s:
1. Intentional, willful, or negligent acts or omissions.
2. Actions that give rise to strict liability.
3. Breach of contract or warranty.

The indemnification obligations of this section do not apply in the event the claim or cause of action is the result of the State’s sole negligence. This clause will not be construed to bar any legal remedies the Host Site may have for the State’s failure to fulfill its obligation under this Contract.

B. State audits
Under Minn. Stat. § 16C.05, subd. 5, the Host Site’s books, records, documents, and accounting procedures and practices relevant to this Contract are subject to examination by the State and/or the State Auditor or Legislative Auditor, as appropriate, for a minimum of six years from the end of this Contract.

C. Government data practices
Government data practices. The Host Site and State must comply with the Minnesota Government Data Practices Act, Minn. Stat. ch. 13, (or, if the State contracting party is part of the Judicial Branch, with the Rules of Public Access to Records of the Judicial Branch promulgated by the Minnesota Supreme Court as the same may be amended from time to time) as it applies to all data provided by the State under this Contract, and as it applies to all data created, collected, received, stored, used, maintained, or disseminated by the Host Site under this Contract. The civil remedies of Minn. Stat. § 13.08 apply to the release of the data governed by the Minnesota Government Practices Act, Minn. Stat. ch. 13, by either the Host Site or the State.

If the Host Site receives a request to release the data referred to in this clause, the Host Site must immediately notify and consult with the State’s Authorized Representative as to how the Host Site should respond to the request. The Host Site’s response to the request shall comply with applicable law.

D. Governing law, jurisdiction, and venue
Minnesota law, without regard to its choice-of-law provisions, governs this Contract. Venue for all legal proceedings out of this Contract, or its breach, must be in the appropriate state or federal court with competent jurisdiction in Ramsey County, Minnesota.

E. Data disclosure
Under Minn. Stat. § 270C.65, subd. 3 and other applicable law, the Host Site consents to disclosure of its social security number, federal employer tax identification number, and/or Minnesota tax identification number, already provided to the State, to federal and state agencies, and state personnel involved in the payment of state obligations. These identification numbers may be used in the enforcement of federal and state laws which could result in action requiring the Host Site to file state tax returns, pay delinquent state tax liabilities, if any, or pay other state liabilities.
XIII. Certification

- This Agreement serves as a binding contract between the Host Site and the MPCA for the 2020-2021 program year. The terms of this Agreement will end on August 17, 2021. The MPCA may cancel this Agreement at any time, with or without cause, upon 30 days’ written notice to the Host Site. Amendments to this Agreement may be made only with the consent of both parties and shall be done in writing.

- If a Member exits the Minnesota GreenCorps Program early either for cause or compelling personal circumstances, or is relocated to a different Host Site, this agreement will automatically end on the last day of the Member’s service at this Host Site.

- Failure to adhere to policies or to fulfill responsibilities outlined in this Agreement will become part of the selection criteria in the event of a re-application process for future year programs.

- **Termination for insufficient funding.** The State may immediately terminate this Agreement if it does not obtain funding from ServeMinnesota or other funding source; or if funding cannot be continued at a level sufficient to allow for the payment of the work scope covered here. Termination must be by written or fax notice to the Host Site. The State is not obligated to pay for any work performed after notice and effective date of termination. However, the Host Site will be entitled to payment, determined on a pro rata basis, for services satisfactorily performed to the extent that funds are available. The State will not be assessed any penalty if the Agreement is terminated because of the decision of the Minnesota Legislature or other funding source not to appropriate funds. The State must provide the Host Site notice of the lack of funding within a reasonable time of the State’s receiving that notice.

- By signing this Agreement, I acknowledge that I have read, understand and agree to all terms and conditions of this Agreement.
