These exam refreshers will be of interest to Wastewater Operators.

A/B and SA/SB exam refresher

To attend these refresher sessions you must preregister by checking the appropriate box on the registration form. The limit is **50 participants**. Do not forget to bring a pencil and a non-programmable calculator. Smartphones and programmable calculators are not allowed during the exam. Although the class will provide a review of information, it is not intended as a substitute for prior studying.

C/D and SC/SD exam refresher

These two-day refreshers will help you prepare for the SC/SD and C/D exam. Do not forget to bring a pencil and non-programmable calculator (no smartphones or programmable calculators allowed in exam sessions) to class. Although the class will provide a review of information, it is not intended as a substitute for prior studying.

The exam application is separate from the training registration. You must submit the exam application postmarked by March 15, 2023.

Due to limited seating we request that you are registered for the Exam Refresher and the Exam Session to secure a position.
