

Public Notice of Cancellation of a Public Informational Meeting

**Minnesota Pollution Control Agency
Cancellation Notice for Scheduled Public Meeting
Clean Water Act Section 401 Water Quality Certification and
Early Draft Air Emissions Permit for
Huber Engineered Woods in Cohasset, Minnesota**

The Minnesota Pollution Control Agency (MPCA) is giving notice of cancellation for the June 16, 2022, informational public meeting on Huber Engineered Woods' proposed facility in Cohasset, MN. The purpose of the meeting was to share information about the draft 401 Water Quality Certification and future draft air permit for the proposed project. The MPCA will be re-scheduling this public meeting for a later date in 2022. The MPCA will provide notice of the re-scheduled public meeting date pursuant to Minn. R. 7001.0120. The public notice for the opening of the comment period on the 401 Water Quality Certification and future draft air permit will be published through a separate publication process later this summer. When the comment period for the draft permit and certification begins, a copy of the public notice, the draft permit/certification, and technical support document will be available on the MPCA's website.
