

## APPENDIX B: DISTRIBUTION ATLAS

County distribution maps were produced for all species in MN Wetlist 1.4 and are listed alphabetically. Data from the University of Minnesota Herbarium were used to produce the maps. Counties are shaded where a species is present. A handful of species maps lack shaded counties entirely because the herbarium did not have a verified specimen at the time the data were acquired. A map with Minnesota county names is provided below for reference.

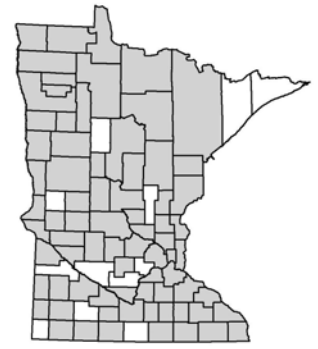

*Abies balsamea*

*Abutilon theophrasti*

*Acalypha rhomboidea*

*Acer negundo*

*Acer rubrum* var. *rubrum*

*Acer saccharinum*

*Acer saccharum* var. *saccharum*

*Acer spicatum*

*Achillea millefolium*

*Achnatherum hymenoides*

*Acorus americanus*

*Acorus calamus*

*Adiantum pedatum*

*Adoxa moschatellina*

*Aegopodium podagraria*

*Agalinis aspera*

*Agalinis paupercula*

*Agalinis purpurea*

*Agalinis tenuifolia*

*Agastache nepetoides*

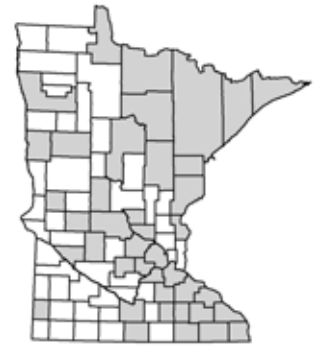

*Ageratina altissima var. altissima*

*Agoseris glauca var. glauca*

*Agrimonia gryposepala*

*Agrimonia striata*

*Agrostis gigantea*

*Agrostis hyemalis*

*Agrostis perennans*

*Agrostis scabra*

*Agrostis stolonifera*

*Alisma gramineum*

*Alisma subcordatum*

*Alisma triviale*

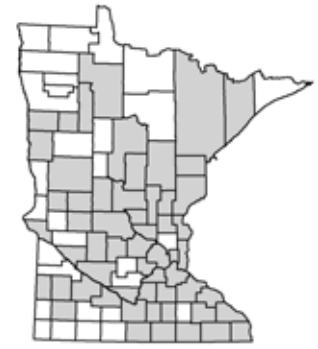

*Alliaria petiolata*

*Allium canadense* var. *canadense*

*Allium schoenoprasum* var. *sibiricum*

*Allium tricoccum*

*Alnus incana* ssp. *rugosa*

*Alnus viridis* ssp. *crispa*

*Alopecurus aequalis* var. *aequalis*

*Alopecurus carolinianus*

*Amaranthus albus*

*Amaranthus retroflexus*

*Amaranthus rudis*

*Amaranthus tuberculatus*

*Ambrosia artemisiifolia*

*Ambrosia psilostachya*

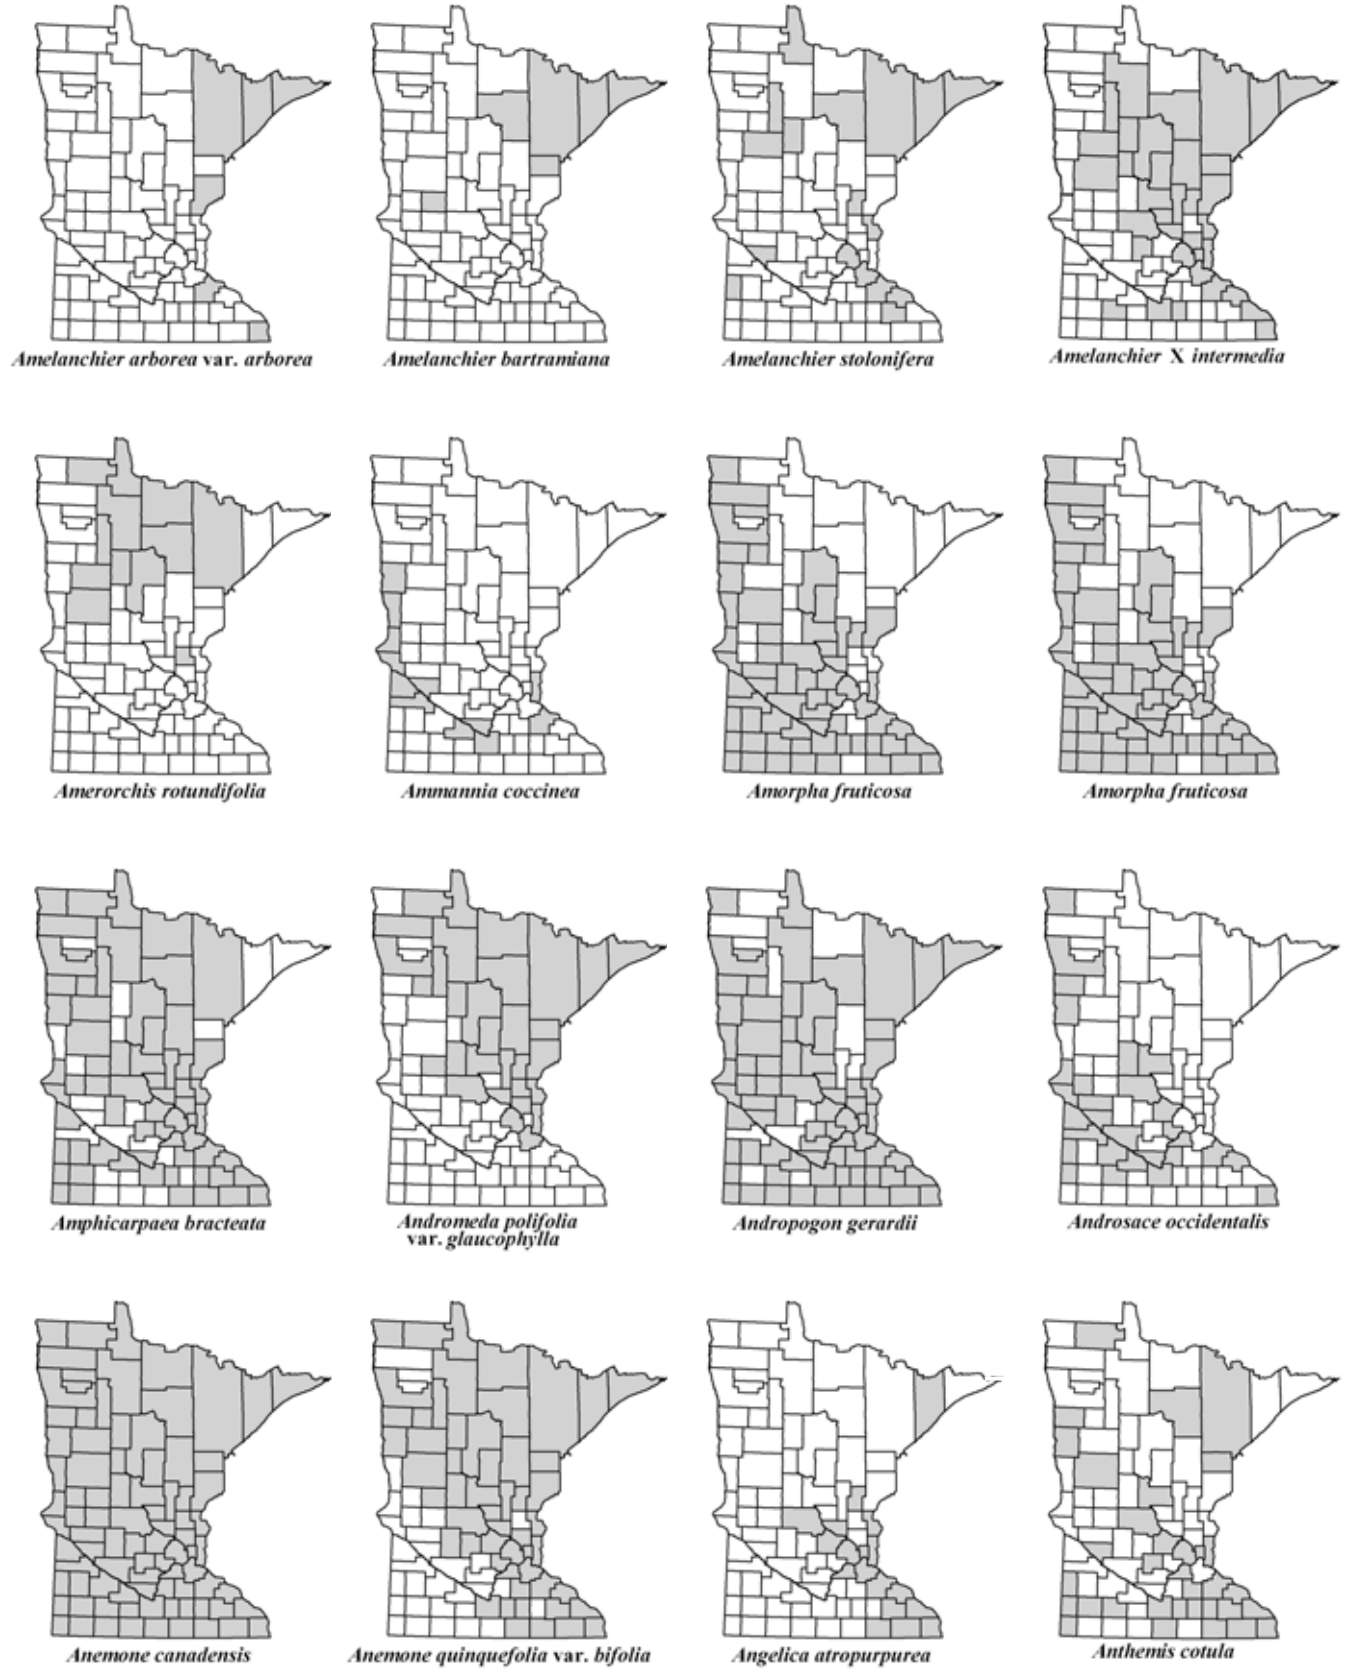

*Ambrosia trifida* var. *trifida*

*Amelanchier alnifolia* var. *alnifolia*

*Apios americana*

*Aplectrum hyemale*

*Apocynum cannabinum*

*Aquilegia canadensis*

*Arabis drummondii*

*Arabis hirsuta*

*Arabis lyrata*

*Arabis X divaricarpa*

*Aralia nudicaulis*

*Arceuthobium pusillum*

*Arenaria serpyllifolia*

*Arethusa bulbosa*

*Argentina anserina*

*Arisaema dracontium*

*Arisaema triphyllum*

*Aristida longespica var. geniculata*

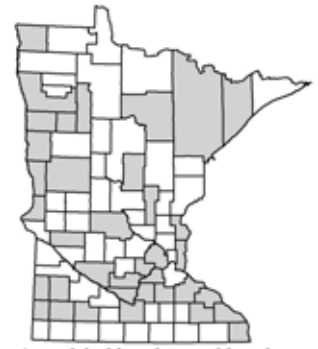

*Armoracia rusticana*

*Arnoglossum plantagineum*

*Arrhenatherum elatius* var. *elatius*

*Artemisia biennis* var. *biennis*

*Artemisia stelleriana*

*Asclepias incarnata* spp. *incarnata*

*Asclepias speciosa*

*Asparagus officinalis*

*Asplenium platyneuron*  
var. *platyneuron*

*Astragalus agrestis*

*Astragalus alpinus* var. *alpinus*

*Astragalus canadensis*  
var. *canadensis*

*Astragalus neglectus*

*Athyrium filix-femina* ssp. *angustum*

*Atriplex hortensis*

*Atriplex patula*

*Azolla mexicana*

*Bacopa rotundifolia*

*Baptisia alba* var. *macrophylla*

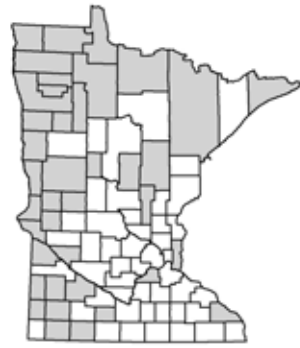

*Barbarea orthoceras*

*Barbarea vulgaris*

*Bartonia virginica*

*Beckmannia syzigachne*

*Berberis thunbergii*

*Berberis vulgaris*

*Berula erecta*

*Betula alleghaniensis*  
var. *alleghaniensis*

*Betula nigra*

*Betula papyrifera* var. *cordifolia*

*Betula papyrifera* var. *papyrifera*

*Betula pumila* var. *glandulifera*

*Betula X purpusii*

*Betula X sandbergii*

*Bidens cernua*

*Bidens connata*

*Bidens coronata*

*Bidens discoidea*

*Bidens frondosa*

*Bidens tripartita*

*Blephilia hirsuta var. hirsuta*

*Boehmeria cylindrica*

*Boltonia asteroides var. recognita*

*Botrychium dissectum*

*Botrychium lanceolatum var. angustisegmentum*

*Botrychium lunaria*

*Botrychium matricariifolium*

*Botrychium mormo*

*Botrychium multifidum*

*Botrychium oneidense*

*Botrychium rugulosum*

*Botrychium simplex*

*Botrychium virginianum*

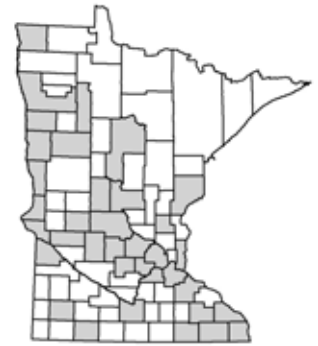

*Brasenia schreberi*

*Bromus ciliatus* var. *ciliatus*

*Bromus kalmii*

*Bromus latiglumis*

*Bromus japonicus*

*Buchloe dactyloides*

*Bulbostylis capillaris* ssp. *capillaris*

*Butomus umbellatus*

*Calamagrostis canadensis*

*Calamagrostis stricta*  
ssp. *inexpansa*

*Calamagrostis stricta*  
ssp. *stricta*

*Calla palustris*
