

Accepting Submissions from Wastewater or Stormwater Projects for the 2020 Clean Water Project Priority List

Proposals are being accepted to place wastewater or stormwater collection and treatment system projects on the Clean Water Project Priority List (PPL). **Projects must be on the PPL to be eligible to apply for low interest CWRP loans and other state grants and loans from the Minnesota Public Facilities Authority (PFA).** PFA financing is for investments in municipal infrastructure, which result in improvements in water quality. Funding is not available for privately owned infrastructure.

Please Note: Projects on the 2019 PPL will automatically be re-listed on the 2020 PPL unless the project has received funding, requested removal or shown no progress in the past five (5) years. If necessary, please submit updated project costs, construction schedule, and PPL scoring parameters. It is to your advantage to keep all scoring information as current as possible.

Green Project Reserve (GPR): Projects believed to meet the GPR eligibility requirements as described in the PPL application forms should indicate their potential GPR eligibility in the PPL application and Intended Use Plan (IUP) request for placement.

Municipalities planning to start construction and receive CWRP financing before June 30, 2020, must also submit a request to the PFA to place the project on the 2020 IUP.

IMPORTANT DEADLINES:

Wastewater Facilities Plans or Stormwater Project Plans are due to the MPCA (to ensure priority review)	March 1, 2019 or before
Request for Placement on 2020 PPL due to the MPCA	March 1, 2019 or before
Request for Placement on the 2020 IUP due to the PFA	June 7, 2019 or before
Wastewater Facilities Plans or Stormwater Project Plans preliminary approval by MPCA for 2020 IUP projects	June 28, 2019

To obtain necessary PPL instructions, application forms and general program information go to:
