

If you discover an unauthorized **wastewater release, discharge or bypass**

...this is what you must do:

-  Immediately notify the Minnesota Duty Officer: **1-800-422-0798**
-  Take all reasonable steps to immediately end the release.
-  Quickly **recover** as much of the materials and substances as you can.
-  Collect a representative **sample** of the release.
-  **Report sampling results** to the MPCA.

For complete information on what to do in the event of unauthorized releases and bypasses, refer to the National Pollutant Discharge Elimination System (NPDES)/State Disposal System (SDS) permit at your facility or contact your local MPCA office.
